Work Experience: **Dax Finley: With Camera** 2/10 - Present
Freelance Photographer, Graphic Designer, and Consultant

- Digital capture and manipulation of photographs for international books and magazine publication;
- Design, development, and publication of original logos, websites, packaging labels, product signage, book covers, business cards, displays, and handouts.

Penn State University Libraries 7/03 - 6/10
Graphic Designer/Digital Archivist

- Designed, created, and published in collaboration with faculty/staff original media including but not limited to: postcards, fliers, banners, posters and web images for presentations, public exhibits, and University Libraries donors;
- Collaborated with patrons and clients, supervised work study students, and managed all phases of projects to design and create custom products;
- Converted rare and/or delicate documents (books, maps, slides, artwork) via digital scanners or photography into archival-quality digital images;
- Utilized CONTENTdm to manage, populate, and maintain the online databases displaying the libraries collections.
